GRIEVANCE PROCEDURES

When You submit a claim and that claim is denied, We will provide a written statement containing the reason(s) for the Adverse Determination. You have the right to request a review of any Company decision or action pertaining to Our contractual relationship and to appeal any adverse claim determination that was made by filing a Grievance. These procedures have been developed to ensure a full investigation of a Grievance through a formal process.

DEFINITIONS

A “**Grievance**” is a written complaint requesting a change to a previous claim decision, claims payment, the handling or reimbursement of health care services, or other matters pertaining to your coverage and our contractual relationship.

An “**Adverse Determination**” is a determination by the Company or its designated utilization review organization that (i) a service, treatment, drug, or device, is experimental, investigational, specifically limited or excluded by Your coverage; or (ii) a facility admission, the availability of care, continued stay or other health care services proposed or furnished have been reviewed and, based upon the information provided, does not meet the contractual requirements for medical necessity, appropriateness, health care setting, level of care or effectiveness and therefore, the benefit coverage is denied, reduced or terminated in whole or in part.

INFORMAL GRIEVANCE PROCEDURE

You, Your authorized representative, or a provider acting on Your behalf may submit an oral complaint by telephoning Us within sixty (60) days after an event that causes a dispute. Telephoning Us allows You to discuss Your complaint or concerns and provides Us the opportunity to immediately resolve the dispute.

If We do not have all the information necessary to review Your complaint, We will request any additional information within five (5) business days of receiving Your complaint. After We receive all of the additional information, We will provide You, Your authorized representative, or a provider acting on Your behalf with Our written decision within thirty (30) days after receiving the complaint and all additional information.

If the problem cannot be resolved in this manner, You still have the right to submit a written request for the complaint to be reviewed through the Formal Grievance Procedure, as outlined below.

FORMAL GRIEVANCE PROCEDURE

A formal Grievance may be submitted by You, Your authorized representative, or in the event of an Adverse Determination, by a provider acting on Your behalf.

If You file a formal Grievance, You will have the opportunity to submit written comments, documents, records and other information You feel are relevant to the Grievance, regardless of whether those materials were considered in the initial Adverse Determination.

First Level Review

Within three (3) working business days after receiving the Grievance, We must acknowledge the Grievance and provide You, Your authorized representative or a provider acting on your behalf with the name, address, and telephone number of the coordinator handling the Grievance and information on how to submit written material. The person(s) who reviews the Grievance will not be the same person(s) who made the initial Adverse Determination. During the review, all information, documents, and other materials submitted relating to the claim will be considered, regardless of whether they were considered in making the previous claim decision. You will not be allowed to attend, or have a representative attend, a First Level Review. You may, however, submit written material for consideration by the reviewer(s).

When the Grievance is based in whole or in part on a medical judgment, the review will be conducted by, or in consultation with, a medical doctor with appropriate training and expertise to evaluate the matter.

We must convene a review panel and hold a review meeting within forty-five (45) days after receiving a request for a Second Level Review. We will notify You in writing of the meeting date at least fifteen (15) days prior to the date. The review meeting will be held during regular business hours at a location reasonably accessible to You. In cases where a face-to-face meeting is not practical for geographic reasons, We will offer You the opportunity to communicate with the review panel at our expense by conference call or other appropriate technology. Your right to a full review may not be conditioned on whether or not You appear at the meeting.

If You choose to be represented by an attorney, We may also be represented by an attorney. If We choose to have an attorney present to represent Our interests, We will notify You at least fifteen (15) working days in advance of the review that an attorney will be present and that You may wish to obtain legal representation of your own.

If We use a clinical peer on an appeal of a Utilization Review non-certification or on a First Level Review, We may use one (1) of our employees on the Second Level Review panel if the panel is comprised of three (3) or more persons.

8. notice of the availability of the Commissioner's office for assistance, including the telephone number and address of the Commissioner's office.

EXPEDITED REVIEW

You are eligible for an expedited review when the timeframes for an Informal, formal First Level review or Second Level review would reasonably appear to seriously jeopardize Your life or health, or Your ability to regain maximum function. An expedited review is also available for all Grievances concerning an admission, availability of care, continued stay or health care service for a person who has received emergency services, but who has not been discharged from a facility.

A request for an expedited review may be submitted orally or in writing. An expedited review must be evaluated by an appropriate clinical peer in the same or similar specialty as would typically manage the case being reviewed. If We do not have the information necessary to decide an appeal, We will send You notification of precisely what is required within twenty-four (24) hours of Our receipt of Your Grievance. All necessary information, including Our decision, will be transmitted by telephone, facsimile, or the most expeditious method available. Provided We have enough information to make a decision, You, Your authorized representative, or a provider acting on Your behalf will be notified of the determination as expeditiously as the medical condition requires, but in no event more than seventy-two (72) hours after the review has commenced. Written confirmation of Our decision will be provided within two (2) working business days of the decision and will contain the same items described in the written decision requirements for First Level reviews.

If the expedited review does not resolve the situation, You, Your representative or a provider acting on Your behalf may submit a written Grievance.

We will not provide an expedited review for retrospective reviews of Adverse Determinations.
